Safeguarding Policy

Introduction

- 1.1. This Safeguarding Policy has been prepared in accordance with the national policies of the Church of England as approved by the House of Bishops. It is in line with legislation, statutory guidance and national/local safeguarding procedures regarding the needs of adults at risk and children. It replaces all previous policies issued by the Parochial Church Council of St Nicholas Church, Radford Semele relating to child protection and safeguarding.
- 1.2. Every child or adult can be hurt, put at risk of harm or abused in other ways. The actions we must take to promote their welfare, and protect them from harm, are the responsibility of us all. Everyone who comes into contact with adults at risk or children has a role to play.
- 1.3. 'Looking the other way' is not an option. Adopting and putting this policy into practice is essential for all of our parishes and church-related communities at every level.

Purpose and scope of this policy

- 1.4. The purpose of this policy is to set out the expectations placed on those working and volunteering in St Nicholas Church and to provide information that promotes the safeguarding of all children and adults.
- 1.5. Outside organisations who hire our church buildings on a regular basis must satisfy the PCC that they have an appropriate Safeguarding policy. If they do not the PCC will present their own for the group to adopt and implement.

Definition of terms

- 1.6. This document uses the following definition of terms:
 - **Abuse** – the violation of an individual's human and civil rights by any other person or persons. This includes physical abuse, emotional/psychological abuse, institutional abuse, financial or material abuse, sexual abuse, neglect and acts of omission.
 - **Child** – anyone under the age of 18 years.

Adult at risk – a person aged 18 years or over who is experiencing or at risk of abuse (including neglect). The term 'vulnerable adult' is also used in some legislation.

Safeguarding resources

- 1.7. The latest version of this document is available on the diocese website:
www.dioceseofcove/SafeguardingResources

Statement of Commitment

- 2.1. As part of the Christian Church living in the spirit of the Gospel, we are committed to protect and care for everyone in the church community, but especially adults at risk and children.

2.2. We are committed to:

- The care of, the nurture of, and respectful pastoral ministry with all children and adults.
- The safeguarding and protection of all children and adults.
- The establishing of a safe, caring community which provides a loving environment where victims of abuse can report or disclose abuse and where they can find support and best practice that contributes to the prevention of abuse.

2.3. To this end we will:

- Carefully select, support and train all those with any responsibility within the church, in line with the Church of England's Practice Guidance for Safer Recruitment.
- Respond without delay to every complaint made that a child or adult may have been harmed, cooperating with the police and local authority in any investigation.
- Seek to offer informed pastoral care and support to anyone who has suffered abuse, developing with them an appropriate ministry that recognises the importance of understanding the needs of those who have been abused, including their feelings of alienation and/or isolation.
- Seek to protect survivors of abuse from the possibility of further harm and abuse.
- Seek to challenge any abuse of power, especially by anyone in a position of respect and responsibility, where they are trusted by others.
- Seek to offer pastoral care and support, including supervision, and referral to the appropriate authorities, to any member of our church community known to have offended against a child or adult.

2.4. In all of the above:

- We will follow legislation, guidance and recognised good practice.
- We will monitor and regularly review our safeguarding procedures.

Parish Responsibilities

3.1. The Incumbent and the PCC are together responsible for ensuring that safeguarding policies and procedures are implemented within the parish.

3.2. More information about Parish Safeguarding Roles can be found on page 13.

- Appoint people to all the roles in the section 'Parish Safeguarding Roles' (page 14).
- Ensure that all those authorised to work with adults at risk or children are:
 - Recruited in accordance with the sections 'Safer Recruitment of Volunteers and Paid Staff' (page 15) and 'DBS Checks for Volunteers and Paid Staff' (page 16);

 - Receive and discuss an annual Safeguarding Report from the Parish Safeguarding Coordinator.
- Review the implementation of this policy annually.

Parish Safeguarding Coordinator

3.4. Working under the authority of the PCC, the Parish Safeguarding Coordinator takes the lead role for safeguarding within the parish. This PCC will appoint a Parish Safeguarding Coordinator who:

- Is a lay person on the Electoral Roll of a parish within the benefice; and
- Is not related to the Incumbent; and
- Has an email address which they regularly monitor. Among other things, this is required to receive notifications regarding online DBS checks.

3.5. The responsibilities of the Parish Safeguarding Coordinator are outlined in the section 'Parish Safeguarding Roles' (page 12).

Creating a Safe Environment

Dos and Don'ts

You should:

- Treat everyone with respect and dignity, setting a positive example for others.
- Ensure that your own language, tone of voice and body language is respectful.
- Be aware of, and respect, others' need for personal space.

- Challenge unacceptable behaviour in others.
- Always aim to work within sight of another adult leader or helper.
- Ensure another adult is informed if a child needs to be taken to the toilet; toilet breaks should be organized for young children.
- Ensure that children know who they can talk to if they need to speak to someone about a personal concern.
- Respond warmly to a child who needs comforting, but make sure there are other adults around.
- If any activity requires physical contact, ensure that the child and parents are aware of this and its nature beforehand.
- Administer any necessary First Aid with others around.
- Always share concerns about a child or the behaviour of another worker with your group leader, who should inform the Incumbent and/or the Parish Safeguarding Coordinator.

You should not:

- **You must not keep allegations or suspected abuse secret.**
- Initiate physical contact. Any necessary contact (e.g. for comfort, see above) should be initiated by the child.
- Invade a child's privacy while washing or toileting.
- Play rough physical or sexually provocative games.
- Use any form of physical punishment.
- Be sexually suggestive about or to a child, even in fun.
- Touch a child inappropriately or obtrusively.
- Scapegoat, ridicule or reject a child, group or adult.
- Permit abusive peer activities e.g. initiation ceremonies, ridiculing or bullying.
- Show favouritism to any one child or group.
- Give lifts to children or young people on their own or on your own.
- Smoke tobacco in the presence of children.
- Drink alcohol when responsible for young people.
- Share sleeping accommodation with children.
- Invite a child to your home alone.
- Arrange social occasions with children (other than family members) outside organised group occasions.
- Allow an unknown adult access to children. Visitors should always be accompanied by a known person.

- Include photographs of children or vulnerable adults in any church publication or on social media, if the PCC have received a request for that person not to be shown. A notice will be put in 'Tiddler' and displayed on the Church noticeboard asking anyone to notify them if photos are not to be shown.

Health & Safety

Staffing Levels

Age	Ratio
0-2 years	1 leader for every 3 children
2-3 years	1 leader for every 4 children
3-8 years	1 leader for every 8 children
Over 8 years	1 leader for the first 8 children and then 1 extra leader for every extra 12 children.

- Each group should have at least two adults and it is recommended that where possible a gender balance between workers be maintained.
- No person under the age of 18 years should be left in charge of any children of any age.
- No group of children or young people under the age of 16 should be left unattended at any time.
- No adult should be alone with a child or children on the premises, outside or in a vehicle.

Administration

- If a short term activity e.g. Holiday Club, is sponsored by the church where parents or carers are not on the premises, a record should be kept not only of attendance, but of contact details for parents and details of any medical conditions. These records should be destroyed at the end of the activity and after all the admin for the activity is finalised.
- Keep records of accidents, incidents and activities: this makes the gathering of information about incidents easier.

First Aid

- All premises used by children, young people and vulnerable adults should have a First Aid Kit, with contents stored in a waterproof container and clearly marked. It should be checked regularly. The Diocesan Guidelines have a suggested minimum for a First Aid Kit.
- All workers should be encouraged to have some First Aid knowledge and the parish should encourage access to First Aid training.
- No medication should ever be given to children or young people without parental instruction.

Taking children or young people off church premises

- Activities planned to take place away from church premises must have PCC's permission in order to be covered by insurance.

- Written permission should be obtained from the parent(s) or the person with parental permission.
- Parent(s) should be informed if their children are to be transported in a car or other vehicle.
- A list of names of those going off the premises, along with their addresses and next of kin, should be available to all group leaders.
- While the group is off the premises, a known contact number in the parish should be available at a phone number in case of emergencies.

One to one work

- It is recommended that one to one work does not take place on church premises.
- Youth leaders should never work one to one with a child or young person where no other adult is present.
- If one to one work is unavoidable or important, it should occur in a public place, where other people can observe what is going on.

What To Do If...

What to do if you have concerns about possible abuse (including allegations)

- In an emergency, call emergency services 999.
- If you have concerns always consult with children's or adult care services.
- Always inform the Diocesan Safeguarding Officer.
- Keep a record of what happened, your concerns and your actions.

What to do if a child or adult wishes to disclose they have been abused

- Listen. Keep listening. Do not question or investigate.
- Do not promise confidentiality; tell them we need to share this.
- Assure them they are not to blame.
- Tell them what you are going to do and that they will be told what happens.
- Make careful notes of what is said, record dates, times, events and when you are told.
- Report it to the person to whom you are responsible and the Incumbent or Parish Safeguarding Coordinator.
- Only tell those who need to know.

What Would Happen If.....

An allegation is made against a volunteer or member of paid staff?

Do not

- **Do not** approach the alleged offender or victim to talk about the allegation.
- **Do not under any circumstances** attempt to conduct an investigation yourself.

Reporting

- If necessary, remove the alleged offender from the situation.
- Report the allegation to the Incumbent and/or Parish Safeguarding Coordinator.
- If the allegation is about the Parish Safeguarding Coordinator, you must report it to the Incumbent.
- If the allegation is about the Incumbent, you must report it to the Bishop's Adviser for Safeguarding.

What will happen next

- Under the advice of the Diocesan Safeguarding Officer, the Incumbent and/or relevant authorities will carry out an investigation.
- If the allegation is about the Incumbent, an investigation will be carried out by the Diocesan Safeguarding Officer/or the Archdeacon, under the direction of the Bishop. Depending upon the nature of the allegation, the Incumbent may be suspended from duties during the investigation – this **does not** assume that the allegations are true.
- Similarly, it may be that, under guidance from the Diocesan Safeguarding Officer, the volunteer or member of paid staff is suspended from any contact with children, young people and adults at risk. This action will only be taken to safeguard the welfare of others, and **does not** assume the alleged offender is guilty.
- During this time the alleged offender will receive pastoral care and support from the church. As far as is possible, the allegations will not be made public.
- Historical allegations of abuse will be responded to in the same way as current concerns.
- If a member of paid staff is dismissed for child protection reasons there is a statutory responsibility to report this under the Protection of Children Act 1999 to the Secretary of State for Health

Parish Safeguarding Roles

Parochial Church Council (PCC)

The PCC and the Incumbent are together responsible for ensuring that safeguarding policies and procedures are implemented within the parish.

Specific responsibilities of the PCC are listed in the Safeguarding Statement, on page 6.

If a PCC sponsors (in its own name) any activities for adults at risk or children, all PCC members are eligible for an Enhanced DBS Check without barred list information.

Incumbent

The Incumbent and the PCC are together responsible for ensuring that safeguarding policies and procedures are implemented within the parish.

The Incumbent has the 'cure of souls' within the parish. Part of this pastoral care is to ensure safeguarding is taken seriously within their church community.

He/she also plays an important role in the response to any safeguarding allegation (unless the allegation has been made against the Incumbent. This role must be carried out under the guidance of the Diocesan Safeguarding Officer.

The Incumbent requires an Enhanced DBS Check with barred list information.

Parish Safeguarding Coordinator

Working under the authority of the PCC, the Parish Safeguarding Coordinator takes the lead role for safeguarding within the parish. This includes:

- Developing local practices that comply with the Safeguarding Policy (page 6)
- Reporting all safeguarding situations to the Diocesan Safeguarding Officer.
- In addition to the above, immediately notifying the statutory authorities if an adult or child:
 - Is at imminent risk of harm; or,
 - Discloses any abuse which is a criminal offence.
- Processing DBS checks for volunteers and staff
- Ensuring that volunteers and staff receive appropriate diocesan safeguarding training.
- Producing an annual Safeguarding Report and presenting it to the PCC.
- Acting as a bridge between the church and the Diocesan Safeguarding Officer for matters relating to the safeguarding of adults at risk and children in the parish.

The Parish Safeguarding Coordinator is a local contact; they are not expected to be a safeguarding expert or to deliver training. They would never be expected to conduct investigations.

An Enhanced DBS Check with barred list information is required for a Parish Safeguarding Coordinator.

Parish Safeguarding Administrator

The PCC may appoint a person to assist the Incumbent and the Parish Safeguarding Coordinator with the administration of the policy.

Churchwardens

Churchwardens are the senior lay representatives within the parish. They carry the responsibility for the oversight of the parish in the absence of the Incumbent (or Priest-in Charge) and must therefore be fully aware of safeguarding procedures.

If a PCC sponsors (in its own name) any activities for adults at risk or children, the Churchwardens require an Enhanced DBS Check without barred list information. If not, Government rules do not permit Churchwardens to have a DBS check.

PCC Lead on Safeguarding

The PCC must appoint a lay member to take the lead on discussing any safeguarding matters at PCC meetings. This person must not be related to the Incumbent.

This role will often be carried out by the Parish Safeguarding Coordinator. If not, the PCC Lead on Safeguarding requires an Enhanced DBS Check without barred list information.

DBS Verifier

DBS checks within the Diocese of Coventry are carried out via an online system provided by The Churches' Child Protection Advisory Service (CCPAS). Within this parish, the system can only be accessed by the Parish Safeguarding Coordinator.

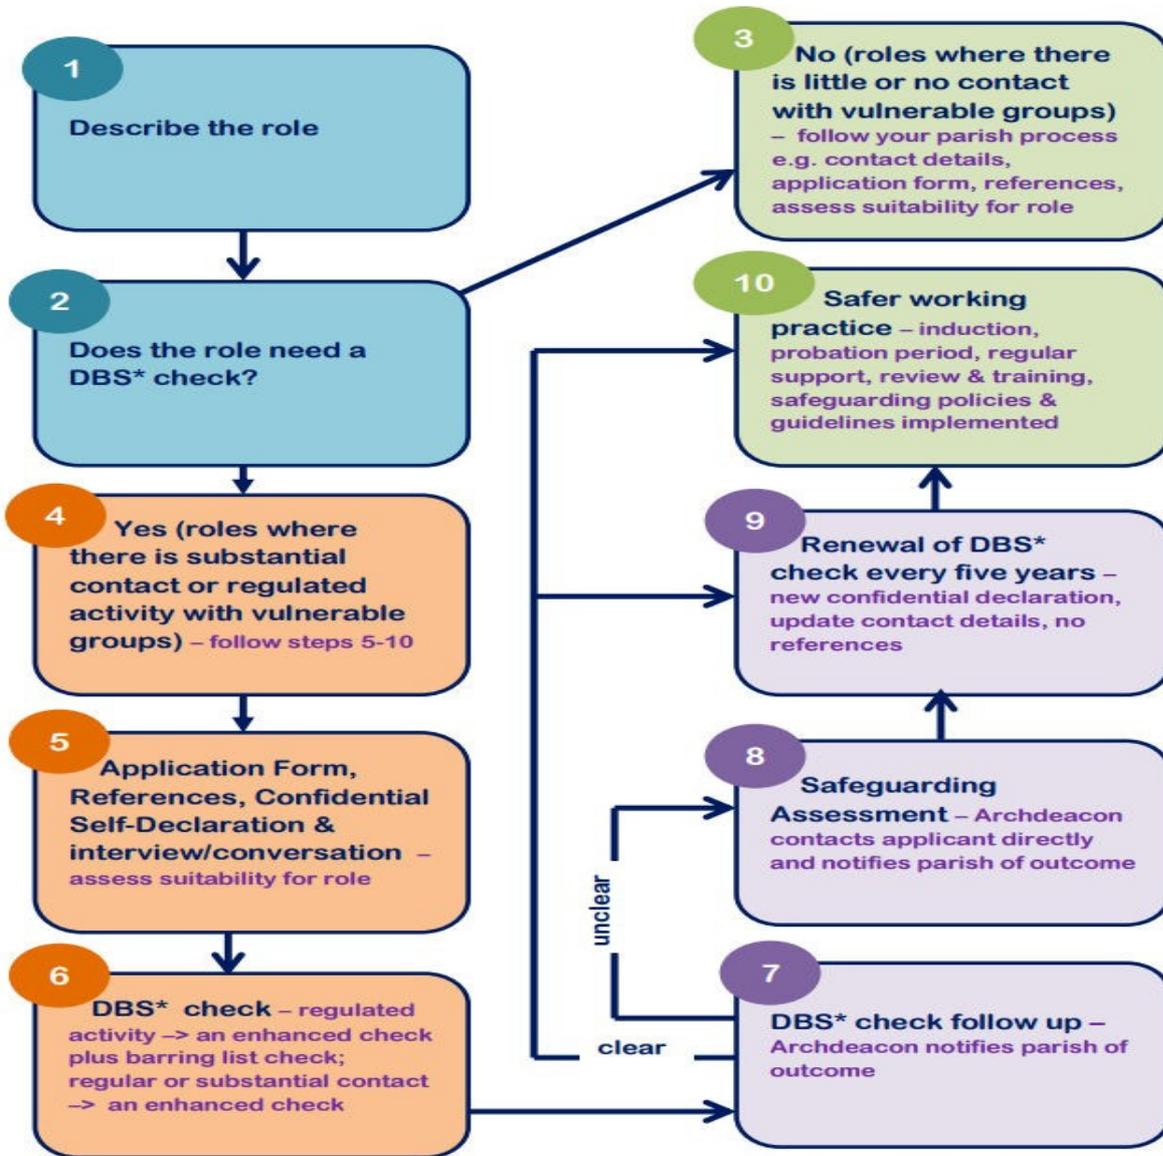

If additional people are authorised, they are called DBS Verifiers. Their role is to assist the Parish Safeguarding Coordinator with the processing of DBS checks for volunteers and staff.

They can be ordained or lay, but they must have an email address which they regularly check.

This is an administrative role which is not eligible for a DBS check.

Safer Recruitment of Volunteers and Paid Staff

The following procedure is described in more detail on the Diocese of Coventry website.

*Disclosure & Barring Service

Key to colours

- Steps to be completed for every paid and volunteer role
- Steps to be completed for roles where there is regular contact with children, young people or vulnerable adults
- Assessment of the Disclosure & Barring Service check and recording the outcome
- The volunteer or paid worker can be appointed

DBS Checks for Volunteers and Paid Staff

Introduction

This section is based on a national document entitled *Practice Guidance: Safer Recruitment* which was published by the Church of England on 24 June 2015. Failure to implement and adhere to national guidance may invalidate church insurance.

Criminal record checks are just one element of a safer recruitment process. For details of the full process, please see the section 'Safer Recruitment of Volunteers and Paid Staff' (page 15).

Purpose, scope and definitions

This paper sets out the requirements for volunteers or paid staff to have a criminal record check. It mainly covers roles which are most commonly found in a parish context, although Appendices A and B can be used for other roles. If in any doubt please consult the Diocesan Safeguarding Officer.

Types of DBS Checks

A person can only have a DBS Check if they are aged 16 or over. There are three types of DBS Checks:

- **Standard.** This checks for spent and unspent convictions, cautions, reprimands and final warnings.
- **Enhanced.** This includes the same as the standard check plus any additional information held by local police that's considered relevant to working with adults at risk or with children. All church related activities require an Enhanced check.
- **Enhanced with barred list information.** This is like the enhanced check, but includes a check of the relevant DBS barred list (adults at risk or children).

Certain church activities fall within the government's definition of a 'regulated activity' (see pages 21-22). This determines whether an Enhanced DBS Check must, or must not, include barred list information.

DBS Checks are free to volunteers, but there is a cost for paid staff.

Parish Roles Requiring a DBS Check

Clergy, Readers and lay workers authorised by the Bishop

An Enhanced DBS Check **with** barred list information is required for all clergy, Readers and lay workers authorised by the Bishop. This includes:

- Beneficed clergy;
- Clergy who hold the Bishop's licence or permission to officiate;
- Readers and other lay workers who hold the Bishop's licence or permission to officiate;
- Those training for any of these roles.

Parish Safeguarding Coordinators

An Enhanced DBS Check **with** barred list information is required for all Parish Safeguarding Coordinators.

Churchwardens and PCC Members

Many parishes provide activities for adults at risk or children. Typical activities include:

- Sunday schools or ‘Messy Church’;
- Youth groups;
- ‘Parent and Toddler’ groups;
- Home visiting schemes for the housebound.

If a PCC sponsors (in its own name) an activity for adults at risk or children, all PCC members are eligible for an Enhanced DBS Check **without** barred list information. This is because the PCC is a charity, and PCC members are the trustees of the charity. However, this does not mean this is a *requirement* for all PCC members.

In such parishes, all churchwardens must have an Enhanced DBS Check **without** barred list information.¹ The lay PCC member who takes the lead on safeguarding matters at PCC meetings must also have an Enhanced DBS Check. In many parishes this will be the Parish Safeguarding Coordinator.

Where a PCC does not sponsor any activities for adults at risk or children (in its own name), churchwardens and other PCC members are not eligible for a DBS Check.

Volunteers and staff who teach, train, instruct, supervise or care for children

An Enhanced DBS Check is always required for volunteers and staff (aged 16 or over) who teach, train, instruct, supervise or care for children. In most cases barred list information is also required – see Appendix A: DBS Checks for Roles with Children (page 21) for clarification.

In a parish context this includes:

- Sunday School or ‘Messy Church’ leaders
- Children’s leaders, workers or assistants;
- Youth leaders, workers or assistants;
- Leaders of ‘Parent and Toddler’ groups;¹
- Family workers who work with children or their leader;
- A music leader where the choir or music group includes children;
- A tower captain where the bell ringers include children;
- A head server where the servers include children;
- Any organist, musician, singer, bell ringer or server who teach/train children.

Volunteers and staff who provide pastoral care for adults at risk

An Enhanced DBS Check is usually required for volunteers and staff (age 16 or over) who provide pastoral care for adults at risk, and barred list information is also sometimes required – see Appendix B: DBS Checks for Roles with adults at Risk (page 22) for clarification.

In a parish context this includes:

- Parish pastoral assistants;
- Pastoral home visitors;
- Street pastors;
- Authorised listeners;
- Pastoral outreach workers.

Drivers and supervisors who convey adults at risk or children

An Enhanced DBS Check is always required for volunteers and staff who drive a vehicle to convey children. In most cases barred list information is also required – see Appendix A: DBS Checks for Roles with Children (page 21) for clarification. The same applies for any person supervising or caring for the children being conveyed.

An Enhanced DBS Check is usually required for volunteers and staff who drive a vehicle to convey adults at risk. Barred list information is also sometimes required – see Appendix B: DBS Checks for Roles with Adults at Risk (page 22) for clarification.

Please note that private arrangements among parents and friends are exempt from these requirements.

Other roles with adults at risk or children

Only the most common parish roles with adults at risk or children have been mentioned above.

For other roles with children, see Appendix A: DBS Checks for Roles with Children (page 21).

For other roles with adults at risk, see Appendix B: DBS Checks for Roles with Adults at Risk (page 22).

Parish Roles Not Eligible for a DBS Check

It is a criminal offence for someone to apply for a DBS Check (or barred list information) if they are not eligible. In most parishes, the following roles are not eligible for a DBS Check:

- Safeguarding Evidence Checkers;
- Churchwardens and PCC members where the PCC does not sponsor (in its own name) any activities for adults at risk or children;
- Music leaders where none of the choir or music group include adults at risk or children;
- Tower captains where none of the bell ringers include adults at risk or children;
- Head Servers where none of the servers include adults at risk or children;
- Any organists, musicians, singers, bell ringers or servers who do not teach/train adults at risk or children.

- Parish vergers;
- Caretakers;
- Flower arrangers;
- Welcomers
- Refreshment helpers;
- Shop staff;

This is not an exhaustive list. To check the eligibility of other roles, please see pages 21-22. If in any doubt, please consult the Diocesan Safeguarding Officer.

Referrals to the DBS

The Safeguarding Vulnerable Groups Act 2006 (SVGA) places a duty on organisations involved in regulated activities to make a referral to the DBS in certain circumstances.²

The DBS must be notified if an organisation dismisses or removes a person from volunteering/working with adults at risk or children in a regulated activity (or may have removed such a person if they had not left or resigned) because the person has:

- Been cautioned or convicted of a relevant offence (e.g. a serious sexual or violent offence); or
- Engaged in relevant conduct in relation to adults at risk or children (e.g. an action or neglect that has harmed someone or put them at risk of harm as defined under the SVGA); or
- Satisfied the harm test in relation to adults at risk or children (i.e. a risk of harm still exists as defined under the SVGA).

Advice from the Diocesan Safeguarding Officer should always be sought prior to a referral to the DBS.

Frequently Asked Questions

How are DBS checks carried out?

DBS checks within the Coventry Diocese are carried out via an online system provided by The Churches' Child Protection Advisory Service (CCPAS). Within this parish, the system can only be accessed by the Parish Safeguarding Coordinator.

If a DBS check is clear, CCPAS will notify by email the person in the parish who authorised the DBS application. This information can then be passed to those responsible for the recruitment process. There is no need for anyone to see the DBS certificate.

If a DBS check is not clear, CCPAS will only notify the Diocesan Safeguarding Officer. The Diocesan Safeguarding Officer will then assess the risk and make a recommendation to the Parish Safeguarding Coordinator.

² Although this document uses the term 'adult at risk', the term 'vulnerable adult' is actually used in the Safeguarding Vulnerable Groups Act 2006.

When does a DBS check need to be renewed?

The House of Bishops has decided that criminal record checks must be renewed every five years. This can be done via the DBS Update Service (see below).³

Should there be a delay in renewing a DBS check beyond the fifth year, the person must stand down from any role that requires a DBS check pending completion of the DBS process.

How does the DBS Update Service work?

The DBS Update Service enables an applicant to have their DBS certificate kept up-to-date and to take it with them from role to role. While this is useful, it does not replace the need for the Incumbent and/or Parish Safeguarding Coordinator to see the physical copy of the certificate, where the check includes barred list information.

An application to the Update Service must be made within 19 calendar days of a DBS certificate being issued. The Update Service is free for volunteers, but requires an annual subscription for paid staff.

Can a previous DBS check be used for a new role?

Under certain circumstances, a DBS certificate obtained for one role can be re-used for a new role. This term for this is 'portability'.

A person's DBS certificate is portable **within the same Church of England benefice** provided that:

- It covers the same workforce as the new role (i.e. adults at risk or children); and
- It covers the same level as the new role (i.e. Standard or Enhanced); and
- It contains the relevant barred list information (for adults at risk or children as required).

A person's DBS certificate is portable from a different benefice (or another organisation) provided that:

- All three of the above conditions have been met; and
- The applicant had previously registered with the DBS Update Service; and
- The outcome of the DBS Update Service has been seen and is completely clear.

A person's DBS certificate is never portable under any of the following circumstances:

- They move from working with children (for which they were checked) to working with adults at risk (for which they were not checked) – or vice versa; or
- The new role requires a higher level of DBS check (e.g. they move from a non-regulated activity to a regulated activity); or
- They are seeking to be ordained, a Reader or a lay worker authorised by the Bishop.

³ This guidance is currently in a state of flux, with some recommending that checks should be made every three years. The PCC will keep on top of developments in this area.

Policy Statement on the Recruitment of Ex-Offenders

Introduction

The Church of England’s practice guidance on Safer Recruitment requires that all parishes have a written policy statement on the recruitment of ex-offenders. The practice guidance says:

Applicants for paid and volunteer positions must be clear about how they will be treated if they are ex-offenders.⁴

The following Policy Statement is based on Version 4 of a sample statement issued by the Disclosure and Barring Service (DBS).

In the following Policy Statement, the term ‘we’ refers to the PCC.

Policy Statement

1. As an organisation assessing applicants’ suitability for positions which are included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order using criminal record checks processed through the Disclosure and Barring Service (DBS), we comply fully with the DBS Code of Practice and undertake to treat all applicants for positions fairly.⁵
2. We undertake not to discriminate unfairly against any subject of a criminal record check on the basis of a conviction or other information revealed.
3. We can only ask an individual to provide details of convictions and cautions that we are legally entitled to know about. Where a DBS certificate at either standard or enhanced level can legally be requested,⁶ we can only ask an individual about convictions and cautions that are not protected.
4. We are committed to the fair treatment of our volunteers/staff, potential volunteers/staff or users of our services; regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical/mental disability or offending background.
5. We will make this policy statement available to all DBS applicants at the outset of the recruitment process.

⁴ See item 2.3 of the Church of England’s Practice Guidance: Safer Recruitment (June 2015).

⁵ The DBS Code of Practice is available here: <https://www.gov.uk/government/publications/dbs-code-of-practice>.

⁶ Where the position is one that is included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 as amended, and where appropriate Police Act Regulations as amended.

6. We actively promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records.
7. We select all candidates for interview based on their skills, qualifications and experience.
8. An application for a criminal record check is only submitted to the DBS after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a criminal record check is identified as necessary, all application forms, job adverts and recruitment briefs will contain a statement that an application for a DBS certificate will be submitted in the event of the individual being offered the position.
9. We ensure that all those who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.
10. At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.
11. We make every subject of a criminal record check submitted to the DBS aware of the existence of the DBS Code of Practice and make a copy available on request.⁷
12. We undertake to discuss any matter revealed on a DBS certificate with the individual seeking the position before withdrawing a conditional offer of employment.

Further Information

On 29 May 2013, legislation came into force that allows certain old and minor cautions and convictions to no longer be subject to disclosure.⁸ Employers are no longer able to take an individual's old and minor cautions and convictions into account when making decisions.

All cautions and convictions for specified serious violent and sexual offences, and other specified offences of relevance for posts concerned with safeguarding children and adults at risk, remain subject to disclosure.

In addition, all convictions resulting in a custodial sentence, whether or not suspended, remain subject to disclosure, as are all convictions where an individual has more than one conviction recorded.

Further guidance can be found at <https://www.gov.uk/government/collections/dbs-filtering-guidance> regarding the filtering of old and minor cautions and convictions which are now 'protected' and thus not subject to disclosure to employers.

⁷ The DBS Code of Practice is available here: <https://www.gov.uk/government/publications/dbs-code-of-practice>.

⁸ See Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2013; and Police Act 1997 (Criminal Record Certificates: Relevant Matters) (Amendment) (England and Wales) Order 2013.

Safeguarding Policy for the Diocese of Coventry

To be displayed in all buildings in which the PCC sponsors activities involving children and/or adults at risk

As part of the Christian Church living in the spirit of the Gospel, we are committed to protect and care for everyone in the church community, but especially adults at risk and children.

We are committed to:

- The care of, the nurture of, and respectful pastoral ministry with all children and adults.
- The safeguarding and protection of all children and adults.
- The establishing of a safe, caring community which provides a loving environment where victims of abuse can report or disclose abuse and where they can find support and best practice that contributes to the prevention of abuse.

To this end we will:

- Carefully select, support and train all those with any responsibility within the church, in line with the *Safeguarding Children and Adults in the Diocese of Coventry Statement, Safe Recruitment & DBS Application Procedures*.
- Respond without delay to every complaint made that a child or adult may have been harmed, cooperating with the police and local authority in any investigation.
- Seek to offer informed pastoral care and support to anyone who has suffered abuse, developing with them an appropriate ministry that recognises the importance of understanding the needs of those who have been abused, including their feelings of alienation and/or isolation.
- Seek to protect survivors of abuse from the possibility of further harm and abuse.
- Seek to challenge any abuse of power, especially by anyone in a position of respect and responsibility, where they are trusted by others.
- Seek to offer pastoral care and support, including supervision, and referral to the appropriate authorities, to any member of our church community known to have offended against a child or adult.

In all of the above:

- We will follow legislation, guidance and recognised good practice.
